

Ready to Trade

PYGG
Securities Co.

Joint Venture with SinoTech B.V. 

We are excited to inform you that PYGG Securities Co. B.V. ("PYGG") has been licensed and approved by the Central Bank of Curacao and Sint-Maarten ("CBCS") and the Dutch Caribbean Securities Exchange ("DCSX") as *the first DCSX approved and Central Bank Licensed Broker*. The trading floor is now fully accessible Online and the DCSX offers a quick and affordable listing & trading alternative to other regional securities exchanges, including stock exchanges in the US.

There is a growing demand to list and trade on the DCSX among Chinese companies and investors. To be able to optimally service issuers and investors from China, PYGG entered a long-term partnership with China experts from Sinotech B.V. ("SINO-PYGG"). SINO-PYGG is committed to strengthen the friendship bridge between the Kingdom of the Netherlands and China. Positioning the local brand in Curaçao, is perpendicular to providing integrated financial services for the Chinese market.

At SINO-PYGG we invite you to contact us so that our team can help you making the shares in your clients' listed companies tradable and assist the existing shareholders with opening their broker account.
